The history of Canada covers the period from the arrival of the Paleo-Indians thousands of years ago to the present day. Prior to European colonization, the lands encompassing present-day Canada were inhabited for millennia by Indigenous peoples, with distinct trade networks, spiritual beliefs, and styles of social organization. Some of these older civilizations had long faded by the time of the first European arrivals and have been discovered through archeological investigations. The Zionist Story, an independent film by Ronen Berelovich, is the story of ethnic cleansing, colonialism and apartheid to produce a demographically Jewish State. Ronen successfully combines archival footage with commentary from himself and others such as Ilan Pappé, Terry Boullata, Alan Hart and Jeff Halper. From the author: I have recently finished an independent documentary, The Zionist Story, in which I aim to present not just the history of the Israeli/Palestinian conflict, but also the core reason for it: the Zionist ideology, its goals (past and present) and its firm grip not only on Is
