Through faith in Christ, our human spirit is born of the Holy Spirit, we are joined to the Lord as one spirit, and the Spirit witnesses with our spirit that we are the children of God. In The Spirit with Our Spirit, Witness Lee presents a deep, enlightening, yet wonderfully practical view of the believers' experience of God in the New Testament. By presenting a complete, scriptural view of both the divine Spirit and the human spirit, Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations. This Spirit is the most comprehensive book I have ever read concerning the Spirit as presented in the Bible. It begins with the Spirit of God in Genesis 1:2 and ends with the Spirit and the Bride saying “come” in Revelation 22:17. The Holy Spirit is bearing witness to something in our human spirits. And what exactly is a good witness when we do receive one of these from the Holy Spirit? Jack Hayford, in his excellent book, Hayford’s Bible Handbook, defines a witness or witnessing as the following: Giving evidence, attesting, confirming, confessing, bearing record, speaking well of, giving a good report, testifying, affirming what one has seen or heard, presenting the gospel with evidence. The first verse above where the Holy Spirit is bearing witness with our spirits that we are saved lines up with some of the above. My experience with spirit guides. Since I was very young, I've felt a presence of spiritual guidance within me, around me and connected to me. In my book Super Attractor, I open up about spirit guides in a way I never had before. I’ve written about Universal guidance and God, but until I sat down to write this book, I’d always held myself back from sharing about the presence of my nonphysical guides. In Super Attractor I push the metaphysical envelope and talk about spirit guides, angels and the spiritual realm in a bigger and bolder way than I’ve ever done before. I break down the different types of guides, share personal stories and offer up more ways to connect with them. When you order the book you'll also get my 2-hour Manifesting Jumpstart Workshop free!
