Ben Sevier, Grand Central's publisher, said he plans for the book, titled "The Antisocial Network," to be published this fall. Grand Central Publishing, a division of Lagardere SCA's Hachette Book Group, declined to say how much it paid for the book. Eric Simonoff, Mr. Mezrich's agent, said the publisher made a pre-emptive bid for the book, preventing it from going to auction. At least four book proposals including Mr. Mezrich's are either being circulated to publishers or in the works, according to people familiar with the matter. "Antisocial is a close-up portrait of the new species of online shock artists who have taken over the American conversation. It is the most detailed and concrete account of how our politics have been changed by social media. This book is essential reading." Jaron Lanier, interdisciplinary scientist at Microsoft Research and author of You Are Not a Gadget "Marantz has produced an essential Antisocial personality disorder (ASPD or infrequently APD) is a personality disorder characterized by a long-term pattern of disregard for, or violation of, the rights of others. A weak or nonexistent conscience is often apparent, as well as a history of legal problems or impulsive and aggressive behaviour. Antisocial personality disorder is defined in the Diagnostic and Statistical Manual of Mental Disorders (DSM), while the equivalent concept of dissocial personality disorder (DPD) is defined in the Hundreds of free Antisocial stories, books, poems, articles and more.
