Jacques Derrida. First published Wed Nov 22, 2006; substantive revision Tue Jul 30, 2019. Jacques Derrida (1930–2004) was the founder of *deconstruction*, a way of criticizing not only both literary and philosophical texts but also political institutions. The following is a bibliography of works by Jacques Derrida. The precise chronology of Derrida's work is difficult to establish, as many of his books are not monographs but collections of essays that had been printed previously. Virtually all of his works were delivered in slightly different form as lectures and revised for publication. Some of his work was first collected in English, and additional content has been added to some collection with the appearance of English translations or later French Jacques Derrida has 386 books on Goodreads with 96869 ratings. Jacques Derrida's most popular book is *Writing and Difference*.
