Snorkeling can be a very rewarding activity. It benefits from its simplicity, where you can simply grab a mask and some fins, rather than hauling a bag full of heavy scuba gear. This also allows for more flexibility, allowing you to bring your gear on trips where bringing tons of scuba gear isn’t a possibility. And the lack of bubbles means you can often get closer to marine wildlife than with scuba gear on. Learn The Differences Between Snorkeling, Free and Skin Diving.
