Google Sites & Chrome For Dummies has what you want to know! Today, Google is so much more than another word for "search." Google Sites & Chrome For Dummies shows you how to create great collaborative Web sites with Google Sites and surf the Web with the super-fast Google Chrome browser. Find out how they work with other Google Apps, too. Curious about Google Sites and how team collaboration Web sites can help you share documents online from various locations? Curious about Google's new Chrome browser? Google Sites & Chrome For Dummies has what you want to know! Today, Google is so much more than another word for "search." Even books for Dummies expects the dummy (me) to know all the computer functions. Regrettably much if the book was beyond my understanding. Sob. The 'Dummies' books are normally very good, but this one wastes too much time talking around the subject and is a bit of an advert for Google Chrome, it is okay, but could be a lot better.
