Twelfth Night; or What You Will is a play by William Shakespeare. It was written in either 1601 or 1602 and was probably first performed on January 6, 1602, the twelfth day after Christmas. The first recorded performance was on February 2, 1602. The text of the play was not published during Shakespeare's lifetime. The first printed edition appeared in the First Folio, the first collection of Shakespeare's complete works, published seven years after the writer's death.
