Records of the Salem Witch-Hunt

General Editor
Bernard Rosenthal,
*State University of New York at
Binghamton*

The first comprehensive record of all legal documents
pertaining to the Salem witch trials

Early Reviews

"Bernard Rosenthal and his international editorial team have produced an extraordinarily useful new edition of the Salem witch-trial records. Notable not only for its accurate transcriptions and revelatory chronological organization but also for its helpful general introductions and detailed annotations of individual documents, this volume will open new realms of inquiry to scholars and interested non-specialists alike. A truly remarkable editing achievement, it signals a great step forward in witchcraft studies."

Mary Beth Norton, author of *In the Devil's Snare: The Salem Witchcraft Crisis of 1692*

"This monumental new work of collaborative historical scholarship presents nearly a thousand legal documents relating to that outbreak, freshly edited with scrupulous care and introduced with a series of helpful essays. In this definitive assemblage of the episode's legal records, human anguish, terror, confusion, and grim certitude constantly break through the legalese."

Paul Boyer, Co-author of *Salem Possessed: The Social Origins of Witchcraft*

Records of the Salem Witch-Hunt

General Editor

Bernard Rosenthal,
*State University of New York at
Binghamton*

This book represents the first comprehensive record of all legal documents pertaining to the Salem witch trials, in chronological order. Numerous newly discovered manuscripts, as well as records published in earlier books that were overlooked in other editions, offer a comprehensive narrative account of the events of 1692-93, with supplementary materials stretching as far as the mid - 18th century. The book may be used as a reference book or read as an unfolding narrative. All legal records are newly transcribed, and errors in previous editions have been corrected. Included in this edition is a historical introduction, a legal introduction, and a linguistic introduction. Manuscripts are accompanied by notes that, in many cases, identify the person who wrote the record. This has never been attempted, and much is revealed by seeing who wrote what, when.

CONTENTS

1. List of facsimile plates; 2. General introduction Bernard Rosenthal; 3. Legal procedures used during the Salem witch trials and a brief history of the published version of the records Richard Trask; 4. Kahlas-Tarkka, Leena 2012. â€œel am a Gosple Womanâ€: On Language in the Courtroom Discourse during the Salem Witch Trials, with Special Reference to Female Examinees. *Studia Neophilologica*, Vol. 84, Issue. sup1, p. 55. CrossRef. The Salem witch trials were a series of hearings and prosecutions of people accused of witchcraft in colonial Massachusetts between February 1692 and May 1693. More than two hundred people were accused. Thirty were found guilty, nineteen of whom were executed by hanging (fourteen women and five men). One other man, Giles Corey, was pressed to death for refusing to plead, and at least five people died in jail. This book offers a comprehensive record of legal documents written in 1692 and 1693 in connection with the Salem witch trials. It is the most comprehensive edition of those records ever published, and includes for the first time the records in chronological order, all newly transcribed from the original manuscripts. Year: 2009. Publisher: Cambridge University Press. Language: english.
