Free kindle book and epub digitized and proofread by Project Gutenberg. Roads of destiny -- The guardian of the accolade -- The discounters of money -- The enchanted profile -- "Next to reading matter" -- Art and the bronco -- Phoebe -- A doubled-dyed deceiver -- The passing of Black Engle -- A retrieved reformation -- Cherchez la femme -- Friends in. "Destiny's Road" is a very plausible depiction of a space colony some 700 years from now. The colonists are preoccupied with the challenges of survival such as producing edible food and maintaining genetic viability in a tiny population. In the 200 years since they were left, they've developed their own culture and live in a society that wobbles between tribalism and decaying technologies that they barely understand and struggle to maintain.
