There's no better resource on our Bill of Rights and constitutional freedoms than Nat Hentoff. With this book, Hentoff sounds the alarm over the steady erosion of our rights while effectively arguing that any hope for our future rests in our ability as citizens to take a stand and fight back. —John W. Whitehead, Founder and President, The Rutherford Institute. Hentoff shows that too many purported counter-terrorism measures have made us less free, but not more safe, therefore galvanizing growing resistance among individuals from all across the political spectrum and all walks of life, all across the country. —Nadine Strossen, President, ACLU. —Anyone concerned with civil liberties should read this short and snappy report from the frontlines of this latest constitutional struggle. —There's no better resource on our Bill of Rights and constitutional freedoms than Nat Hentoff. The United States Bill of Rights comprises the first ten amendments to the United States Constitution. Proposed following the often bitter 1787–88 debate over the ratification of the Constitution, and written to address the objections raised by Anti-Federalists, the Bill of Rights amendments add to the Constitution specific guarantees of personal freedoms and rights, clear limitations on the government's power in judicial and other proceedings, and explicit declarations that all powers not "The Constitution," said Supreme Court Justice Antonin Scalia ominously in March 2003, "just sets minimums. Most of the rights that you enjoy go way beyond what the Constitution requires." In *The War on the Bill of Rights and the Gathering Resistance*, nationally syndicated columnist and *Village Voice* mainstay Nat Hentoff draws on untapped sources—from reporters, resisters, and civil liberties law professors across the country to administration insiders—to piece together the true dimensions of the current assault on the Constitution and the Bill of Rights. Afforded little coverage in the major media, the Bill of Rights Defense Committees now have spread to nearly one hundred cities and towns nationwide.
