Contents of Volume Sixteen: Apocryphal Gospels, Acts and Revelations, translated by Alexander Walker, Esquire, including The Protevangelium of James; The Gospel of Pseudo-Mat 1870. Part Sixteen of Twenty-four. The translations of the writings of the early Church writers from the time of Christ till the Council of Nicea in 325 into English, known as the Ante-Nicene Library. The Ante-Nicene Fathers, subtitled "The Writings of the Fathers Down to A.D. 325", is a collection of books in 10 volumes (one volume is indexes) containing English translations of the majority of Early Christian writings. The period covers the beginning of Christianity until before the promulgation of the Nicene Creed at the First Council of Nicaea. The translations are very faithful, but sometimes rather old-fashioned.
