

Report of the Task Force on Library and Information Services to Cultural Minorities, Volume 61, // National Commission on Libraries and Information Science, 1983 // 1983 // United States. Task Force on Library and Information Services to Cultural Minorities, United States. National Commission on Libraries and Information Science

This report fulfills the Task Force's mandate to: define diversity and inclusion in the public service. establish the case for diversity and inclusion. recommend a framework and action plan

Footnote 1. Over the past year, the Task Force has had the privilege of listening to and learning from many individuals who shared their ideas, insights and personal experiences. Immigration accounts for two thirds of Canada's population growth, with the majority of immigrants being visible minorities. Footnote 10 Statistics Canada projects that: by 2031 close to 1 in 3 Canadians (31.0%) will be members of a visible minority Footnote 11. almost 1 in 2 (44.2% to 49.7%) will be either an immigrant or a child of an immigrant by 2036 Footnote 12. The Task Force has focused on how digitalization can support financing that meets the priorities of people it is intended to serve. The Sustainable Development Goals. (SDGs) are a global, shared agenda for achieving peace and inclusive, sustainable prosperity by 2030. In 2008, financial services are less trusted to do what is right than any other part of the business community, although most people trust banks to safeguard their money and their data. Most citizens distrust how governments use their money. Over half (57 percent) of the respondents of a multi-country survey say.
