Amberton University has an agreement with eCampus.com to provide a full-service online bookstore to students. The Amberton University Virtual Bookstore is accessible through the University's website, www.Amberton.edu. There is also a bookstore link in the Student Portal.

The AU Virtual Bookstore provides an easy to use interface, online buyback of books, and same day shipment of most titles with an average delivery time of 2-3 days depending on the student's location. Textbook options include new, used, rental, and electronic media as available.

Beginning Fall 2019, there will be three practicums: CSL6870, CSL6875, AND CSL6880. The TExES (Texas Examination of Educator Standards) must be passed before enrolling in CSL6870. The TExES application form and practice tests are located in the TExES Review Course in Moodle. The Application and Contract are required at the first meeting of CSL6870 Practicum I and are in the Review Course. Effective September 1, 2019, the Master of Arts School Counseling degree will be a forty-eight (48) hour degree program for students entering the program.

COURSE COMPETENCIES:

The following represents the course competencies for this class. Competencies are equivalent for all lecture and distance learning courses. Following each competency is the assignment used to gain mastery of this area of study.

The ethics related to school counseling differ in focus from that of a professional counselor. There are separate professional organizations as well as separate work environments. School Counselors work with minors in a school setting that is designed for academics. Issues that face children and adolescents on a personal-social level do impact progression in the academic areas and need counselor intervention and consultation. The Education Code is the guiding framework for school counselor's work, and it has become more complex in interpretation and implementation. Legal issues are quickly becoming a concern for school counselors as they practice in the public setting.

UPON COMPLETION OF THE COURSE, THE STUDENT WILL BE COMPETENT IN:

1. Examining trends in the codes of ethics and ethical decision-making within the counseling profession.
2. Describing and analyzing the ethical, legal, and professional standards of the counseling profession, including state and national ethical and legal codes related to mental health counselors.
3. Managing high risk behaviors in the school culture such as self-injurious behaviors, suicidal ideation, and potential for violence.
4. Developing appropriate case notes, guidelines for court testimony, and responding to subpoenas in the role of the school counselor.
5. Documenting rules and regulations for the counselor position in the public schools through the Texas Administrative Codes, Attorney General Decisions, and Federal Guidelines.
6. Communicating with administrators, teachers, parents and other school personnel within legal and ethical guidelines while protecting and maintaining student confidentiality.
7. Defining and understanding crisis intervention in the helping professions.
8. Examining the differences between crisis counseling and psychotherapy.
9. Defining consultation and supervision as related to the counseling profession.
10. Demonstrating via case studies the ability to apply ethical decision-making skills.
11. Discussing confidentiality, privileged communication, duty to warn, informed consent, dual relationships, privacy, right of clients, professional liability, and malpractice in mental health setting.
12. Assessing one's own values, attitudes, and beliefs as a helping professional.
13. Discussing the ethics of academic advisement of students in the public school setting.
14. Communicating an understanding of the ethical guidelines concerning college admission process, college letters of recommendation and scholarship needs for the student.
15. Demonstrating the best practices of student assessment for career programs and career advisement along with advocacy in selection of students for special school programs and leadership roles.
16. Distinguishing between the role of the counselor in the school culture and that of a private practice setting.
17. Demonstrating the need for confidentiality issues on a school campus and the areas in which that is appropriate.
18. Demonstrating the best process for data collection and its uses for the best student academic outcome.
19. Explaining high stakes testing and related stressors in the school culture.

COURSE POLICIES:

No make-up exams, assignments, or extra credit work. Keep instructor updated if any questions and/or concerns arise.

Student's Responsibilities

This syllabus contains information, policies and procedures for a specific course. By enrolling, the student agrees to read, understand and abide by the policies, rules, regulations, and ethical standards of Amberton University as contained in the current university catalog and schedule of classes.

Attendance Policy:

Regular and punctual class attendance and engagement is expected at Amberton University. In case of an absence, it is the student's responsibility to contact the professor as soon as possible. If a student intends on withdrawing from a course, it is the student's responsibility to follow the university's policy on formally withdrawing from a course. Ceasing to attend classes **does not** constitute an official withdrawal.

Attendance in a lecture course is defined as punctual arrival to, and engagement in, a full lecture session. Attendance in a distance learning course is defined as active participation in the weekly online class sessions. "Active participation" can be defined as: submitting an academic assignment, taking an exam, engaging in an interactive tutorial, participating in an online discussion forum (or chat session), or initiating (or responding to) a communication with a faculty member about an academic assignment or the subject matter of the course. A student not meeting these requirements may be dropped at the discretion of Amberton University.

Plagiarism Policy

Plagiarism is using another person's work as your own. Plagiarism is a violation of the University's code of student ethical conduct and is one that is taken seriously. Amberton University operated on an honor system, and honesty and integrity are essential characteristics of all who are associated with the institution. All Amberton University students are expected to abide by the honor system and maintain academic integrity in all of their work. Amberton University and its instructors monitor student work for plagiarism and reserve the right to submit such work to technology-based anti-plagiarism services and applications at any time.

COURSE OUTLINE AND CALENDAR:

The course outline is the critical component of the course. It is in the outline that topics and learning resources are brought together. Aside from a personal lecture (not available to e-Course students) the course outline should sufficiently inform the student of all the information (type, source, and important due dates) that will be learned in the course. Do not include the actual assignments and exercises within the syllabus, but do include important due dates, activities scheduled, as well as, examination dates.)

GRADE NOTIFICATION AND INSTRUCTOR FEEDBACK:

A successful distance learning experience requires a flow of communication between instructor and student throughout the session. Instructor comments are considered essential to the learning process. Therefore, each assignment/exam submitted will be reviewed, graded and returned to the student in a timely manner along with the appropriate commentary. Students should carefully review all comments.

Final grades are mailed approximately one week after the last day of the session to the student's address of record. Amberton University staff will not post or release grades over the phone. University instructors will not leave a message with comments or grades in any type of media that is not secure.

For questions regarding grades after the semester has ended, students should use their University email account and contact the instructor at the faculty email address as provided above in *Professor Information* area.

Incomplete Grades

An "I" (incomplete grade) is given at the discretion of the professor and may be given only when an emergency or illness prevents the student from completing course requirements. Should an "I" be granted, the student has 30 days from the end of the session to complete the conditions of the incomplete. An "I" which is not properly removed within 30 days following the session enrolled will become an "F" grade.

How To Withdraw From a Course

To be official, the class withdrawal must be in writing and signed by the student requesting the withdrawal; no withdrawal is accepted verbally. Please review the "Schedule of Classes" (online or in-print) for procedures for class changes or withdrawals and the refund policy and schedule.
