"The book is informative, well referenced and researched. The book comes to life where there are extracts, illustrations and anecdotal stories from the author's work with children. In this practical context, there seems to be real meaning to the tips and techniques that he offers, and this provides an interesting framework for his own views and stands on issues in practice. The new chapter on anger, aggression and violence included illustrations and case examples and was an insightful, lively and moving read. The themes raised are pertinent and I think of interest to all pract Buy Brief Counselling in Schools: Working with Young People from 11 to 18 1 by Dennis Lines (ISBN: 9780761973546) from Amazon's Book Store. A guide to helping and supporting young people experiencing difficulties at home and at school or college. Covering issues from low self-esteem and sexuality, to substance misuse and aggression, it draws on a method of brief integrative counselling to illustrate how a time-limited therapy can work in an often pressured and time-limited setting. Product Identifiers. Publisher. Person-Centred Therapy with Children and Young People. This engaging new book presents a 'child-centred' model of therapy that is thoroughly person-centred in its values. Establishing the roots of child-centred therapy in both child development theories and the Rogerian model, David Smyth demonstrates that counselling the person-centred way is exceptionally relevant to young people. Counseling Children and Adolescents in Schools is a text and workbook designed to help aspiring school practitioners (school psychologists, school counsellors, and school social workers) gain the necessary theoretical background and skill set to work effectively with youth in schools.
