

Putting on the Heart of Christ: How the Spiritual Exercises Invite Us to a Virtuous Life / 9780829432978 / 248 pages / Gerald M. Fagin / Loyola Press, 2011 / 2011

Covenants anchor us to the Savior and propel us along the path that leads to our heavenly home. The power of covenants helps us maintain the mighty change of heart, deepen our conversion to the Lord, and receive Christ's image more fully in our countenance. 12 But a half-hearted commitment to our covenants will not guarantee us anything. 13 We may be tempted to equivocate, throw our old ways in calm water, or bury our weapons of rebellion with the handles sticking out. But an ambivalent commitment to our covenants will not open the door to the sanctifying power of Heavenly Father and Jesus Chr... In doing so, the book encourages us to become the kind of person whose very life is in tune with the heart of Christ. Fr. Fagin covers 15 virtues throughout the book, including gratitude, reverence, and forgiveness. Each is explained w. Putting on the Heart of Christ by Gerald M. Fagin, SJ, offers a fresh look at the Spiritual Exercises through the lens of virtue ethics. In doing so, the book encourages us to become the kind of person whose very life is in tune with the heart of Christ. Fr. Ultimately, Fr. Fagin uses virtue ethics along with the Spiritual Exercises to help us think beyond. What has God called me and to think quite specifically in terms of Who has God called me to be. ...more. I highly recommend it, particularly if the reader finds the writing of St. Ignatius insufficiently engaging. It's not like making the Exercises, but it's a great, short-form presentation of what they're about at the heart of the matter. Many voices are rising to invite us to see this crisis as an occasion for real change: in our life-styles, economic regulations, modes of solidarity What is the sense of these. In the light of the Spiritual Exercises which in their turn inspired the Constitutions of the Society that the general Congregation is in these days tackling the subjects of our identity and of our mission. The Spiritual Exercises, before becoming a precious tool for the apostolate, are for the Jesuit the touchstone by which to was a non-believer. Yet, the originality of the book Spiritual Exercises led him to consider Ignatius of Loyola as the founder of the language of the divine, and to include him among the true creators of human language.
