NIGHT CREATURES Book 1 A Novella By Ebony Brightman A NOTE ON CONSENT While this story is meant to titillate, it is simply that a story. It's a fantasy. In real life, it's not. The Night Creatures book series by Marianne de Pierres includes books Burn Bright, Angel Arias, and Shine Light. See the complete Night Creatures series book list in order, box sets or omnibus editions, and companion titles. 3 Books. #1. Strassberg, R. E. Somewhat less famous than its neighbor in Loch Ness, the Loch Oich Monster is known from the Great Glen of Scotland and Inverness-shire. It was notably spotted on August 13, 1936 by Alderman Richards and his companions while out boating on Loch Oich near Laggan. Night Creature: Crescent Moon, p.1. I hadn't moved a book, hadn't given away his clothes, hadn't realized until just this moment how pathetic that was. 'I find it strange,' Tallient continued, 'that odd things happen under a crescent moon in the Crescent City, don't you?' I found it more than strange.
