MLA. Erokhin, Vasilii and Tianming Gao. Handbook of Research on Globalized Agricultural Trade and New Challenges for Food Security. IGI Global, 2020. <http://doi:10.4018/978-1-7998-1042-1>. APA. Erokhin, V., & Gao, T. (2020). Handbook of Research on Globalized Agricultural Trade and New Challenges for Food Security. 'Globalising Food is a significant contribution to a new radical critique of globalization.' - Tim Lang, Times Higher Education Supplement. 'This book is an important and valuable contribution to the study of food and agriculture.' - Environment and Planning. 'Presenting rich empirical accounts of so many geographic regions and extending theoretical debate this is a wonderful edited collection which will undoubtedly prove invaluable to researchers working in the areas of critical geography, political economy and international development.' Globalising food by Goodman, David, Michael Watts, 1997, Routledge edition, in English. Includes bibliographical references and index. "This book emerged from a workshop on 'Agrarian questions and the restructuring of the agro-food system' held on the Berkeley campus of the University of California, on 28-30 September 1995"--Ackn. Classifications. Dewey Decimal Class.
