

Alchemies of the Mind: Rationality and the Emotions, . 9780521644877. Cambridge University Press, 1999. 450 pages. 1999. Jon Elster

Emotions play a more significant part in the process of critique than many acknowledge, and we must take them into account when thinking about adult education practices. Read more. Article. Full-text available. The Feeling of Rationality: The Meaning of Neuroscientific Advances for Political Science. December 2004 *Å* Perspectives on Politics. Rose McDermott. *Å* That means, the emotion is interconnected with other states such that its alteration or removal would lead to widespread changes in the mind. This paper argues that it is necessary to distinguish two different concepts of embeddedness: the interconnections could either be [Show full abstract] rational or causal. The difference is non-trivial. Emotions Before Psychology: Introduction ; Aristotle on the emotions ; The French moralists ; Emotion in literature -- Part III.
