

A Question of Loyalties / 337 pages / Allan Massie / Canongate Books, 2002 / 2002 / 9781841952994

Allan Massie discusses his novel *A Question of Loyalties* with James Naughtie and readers. First published in 1989, the book is widely acclaimed as his finest. The novel engages with all the complexities and ambiguities of loyalty and nationality as it follows a family through the divisions in France during World War II, and the repercussions which last for decades. In the early 1950s Etienne de Balafré strives to find out what happened to his father when the German invasion of 1940 divided the country between collaboration and resistance. Where some might see an accomplice, the author Allan Massie seeks to understand a human being making difficult choices. As always on Bookclub, a See more of *A Question of Loyalty* on Facebook. Qty Was Lucien de Balafré a patriot who served his country as best he could in difficult times, or a treacherous collaborator in the Vichy government? This book explores the ties between fathers and sons and the pains of love and duty in a period of European history that is still characterised by wilful denial and hatred. Product Identifiers.
