

Journey Into Darkness / 384 pages / 2012 / John Douglas, Mark Olshaker / 9781448135905 / Random House, 2012

With Journey into Darkness, Douglas provides more than a glimpse into the minds of serial killers; he demonstrates what a powerful weapon behavioral science has become. Profiling criminals helps not only to capture them, but also helps society understand how these predators work and what can be done to prevent them from striking again. Book Preview. Journey Into Darkness is written by John Douglas, one of the original criminal profilers in the Federal Bureau of Investigation. As he traveled across the country, he would drop in on killers in local prisons and, if they were willing, would interview them in detail about the "how" and "why" and anything else they would disclose about their murders, rapes and other crimes. John Douglas shares some of those stories along with the "how" & "why", as much as can be explained, in this fascinating, well-written book. There is so much to be learned, and a lot of this can be translated into how you can protect yourself against a lot of these crimes which are crimes of opportunity. Well worth the read. The FBI's Premier Investigator Penetrates the Minds and Motives of the Most Terrifying Serial Killers. BROKEN WINGS. A Novel. Available from pocket books. Praise for John Douglas and Journey into Darkness. "An unsparing account of a brutal business. The real genius here lies in the analytical rigor of Douglas's crime scene investigations. Gutsy, hard-nosed police work of the most difficult and readable kind." Gene Lyons, Entertainment Weekly.
