Lonely Planet Grand Canyon National Park (Travel Guide). Lonely Planet. 4.6 out of 5 stars 44. He is the author or title-page editor of forty books and more than five thousand periodical publications, including articles, essays, reviews, interviews, editorials, poems, and short stories. He is also a contributing editor to and regular reviewer for Kirkus Reviews and a contributing editor to The Bloomsbury Review. Start by marking "Frommer's Arizona and the Grand Canyon (Complete Guides)" as Want to Read: Want to Read saving... Want to Read. Frommers is my go-to source for travel guides, and this is a solid choice in its series. I always appreciate their "best of" lists at the front and their description of neighborhoods in the bigger cities. And I understand that publishers have to find a happy middle ground between providing enough detail to help travelers make decisions and keeping a travel book small enough that someone can stick it in a purse or pack without adding the burden of a lot of weight or bulk. However, this one felt like Frommers is my go-to source for travel guides, and this is a solid choice in its series. Extensive coverage of The Grand Canyon gives you insider information for seeing the park without crowds and the best options for staying in and near the park. Opinionated reviews. No bland descriptions and lukewarm recommendations. Karl is also the author of Frommer's Seattle and Frommer's Washington State. HOW TO CONTACT US In researching this book, we discovered many wonderful places—hotels, restaurants, shops, and more. We're sure you'll find others. Please tell us about them, so we can share the information with your fellow travelers in upcoming editions. If you were disappointed with a recommendation, we'd love to know that, too.
