

Geographies of the Mind: Essays in Historical Geosophy in Honor of John Kirtland Wright, , , ISSN 0065-843X / Oxford University Press, 1976 / John Kirtland Wright / 9780195019704 / 1976

Historical geography at the canadian association of geographers annual meeting, carleton university, ottawa, june 1-5, 1993 crush j. 195-196. 0. [book review] ideology and landscape in historical perspective, essays on the meanings of some places in the past. 487-488. 0. Offering a broad historical sweep of the scholarly record from classical, medieval, and modern times, it also affords succinct summary accounts of twentieth-century geography and geographers in North America and in a wide range of countries. "This book--a study in the history of geographical thought--sweeps majestically from the ancient Greeks to the present. The history of geography in the US is juxtaposed with the emerging geographies of Germany, France, Great Britain, Russia/USSR, Canada, Sweden, and Japan from the time of Darwin's elaboration of his evolutionary hypothesis. . . . indispensable reading for geographers and other social scientists. Summing Up: Highly Recommended."--M.W. Dow, Choice, September 2005. "Published in collaboration with the American Geographical Society, New York." "John Kirtland Wright: a list of publications": p. 225-256. Includes bibliographical references and index. Tuan, Yi-fu. A theme in man's attachment to nature and to place.--Allen, J. L.
