Il n'est aucunement nécessaire d'avoir connu la première Thérèse pour s'intéresser à celle dont je raconte ici le dernier amour. » François Mauriac. ...more. Get A Copy. I am a huge fan of French literature, but with regard La Fin de La Nuit (The End of the Night in English) is the final part of Mauriac's series about a troubled woman named Therese Desqueyroux. I very much enjoyed the first novella, Therese Desqueyroux, and found the intervening stories rather interesting. La Fin de Satan ("The End of Satan", 1886) is a long religious epic by Victor Hugo, of which 5,700 lines were written between 1854 and 1862, but left unfinished and published after his death. When it was rejected by his publisher in 1857, Hugo tried to integrate it into Petites Epopées (later La Légende des siècles), eventually announcing that it would form a companion work, along with Dieu. Book the Third is about the storming of the Bastille. (Almost nothing in this book was completed.) Structure[edit]. Hors de la Terre ("Beyond Earth"), I. La Première Page. Livre Première: Le Glaive. Emprunter une autre voie pour la fin c est toutefois Agréable de retrouver Therese et de connaitre son evolution de caractere. € Show more. Show less. by Pasquier on 8 September, 2017. Close.
