This Sign Language Made Simple book was designed by a professor for people like you. Using the principles of effective teaching and learning, he presents about twenty new signs in one short chapter each week, enabling you to memorize and use over 1,500 basic ASL signs in less than a year and to easily chat with Deaf individuals you may know or happen to meet. This is possible because Edgar D. Lawrence's learning system is user-friendly. It omits ASL grammar and teaches basic ASL signs in English sentences, allowing you to memorize the signs in a way that makes it easy to sign your complete Sign Language Made Simple book. Read 6 reviews from the world's largest community for readers. This comprehensive book features 600 complete sentences with every word clearly signed in graphic art, offering one of the easiest and most practical methods for learning sign language. Get A Copy.
