Maine, the largest of the six New England states, lies at the northeastern corner of the country. Maine became the 23rd state on March 15, 1820, as part of the Missouri Compromise, which allowed Missouri to enter the union as a slave state and Maine as a free state. Maine is bounded by the Canadian provinces of Quebec and New Brunswick, and by New Hampshire. Maine is famous for its rocky coastline, and is the leading U.S. producer of lobsters and blueberries. Date of Statehood: March 15, 1820. Capital: Augusta. Book digitized by Google from the library of Harvard University and uploaded to the Internet Archive by user tpb. Among its political civility and moderation has in the past decade emerged as a model for conservative infiltration of state politics. The arrival of the Maine Heritage Policy Center in 2002 has under "one a radical transformation which culminated in 2010 when it came". Maine's political climate has undergone a radical transformation which culminated in 2010 when the maine political machine built a web of influence to fundamentally alter the makeup of Maine politics. Our report endeavors to tell the story of how out-of-state bi-moned interests in particular, the conservative state policy network franchised and incubated the MHC as well as worked with a bevy of conservative activists and administration officials in an attempt...
