However, because DNA is also computer software, which runs the computers of our body and brains, we each have a unique experience in the broader holographic illusion that is this world. What's more, the software DNA accepts reprogramming commands in our everyday language. "There's no way that I'm an omega!" Hyesung lived his whole life believing that he was an alpha. Then, he met Dojin, a dominant alpha who knew right away that he was an omega. Hyesung, who couldn't accept that he was an omega, was willing to do anything so he could turn into an alpha. An omega who wants to be an alpha, and an alpha who hates omegas this is a drama, set in Omegaverse, about two incompatible characters who get entangled with each other's lives. Chapter. Time. Love is an Illusion is a manhwa written by Fargo. In a world with pheromones where anyone can conceive children, Dojin becomes involved in Hyesung's life. Hye-sung spent his entire life believing he was an Alpha, the top of the genetic lottery. But his world is flipped upside down when he finds out he isn't an Alpha, but a lowly Omega. After this revelation, he continuously crosses paths with Dojin, an Alpha who can't stand Omegas. When their physical union results in a life-changing event, the two
