

# Microbial Corrosion: Proceedings of the 3rd International EFC Workshop. Institute of Materials, 1995. 412 pages. 9780901716620. 1995. European Federation of Corrosion

The EFC Working Party on Microbial Corrosion Edited by D. Thierry Published for the European Federation of Corrosion by The Institute of Materials. The institute of materials 1997. Book number 686 Published 1997 by The Institute of Materials 1 Carlton House Terrace London SW1Y 5DB. 13. M. Magot, L. Carreau, J.L. Cayol, B. Ollivier and J.L. Crolet: Microbial Corrosion - Proceedings of the 3rd European Federation of Corrosion Workshop, European Federation of Corrosion Publication no 15, The Institute of Materials, London, 1995, 293-300. 14. J.L. Crolet and M. Magot: Corrosion 95, paper 95188, NACE, Houston Tx, 1995. 15 Microbial corrosion: Proceedings of the 3rd International EFC Workshop. Prepared by Working Party 10 on Microbial Corrosion. 16 Guidelines on materials requirements for carbon and low alloy steels for H<sub>2</sub>S-containing environments in oil and gas production. Prepared by Working Party 13 on Corrosion in Oil and Gas Production. 17 Corrosion resistant alloys for oil and gas production: guidance on general requirements and test methods for H<sub>2</sub>S service. Prepared by Working Party 13 on Corrosion in Oil and Gas Production. 18 Stainless steel in concrete: state of the art report. Microbial corrosion: Proceedings of the 3rd International EFC Workshop Prepared by Working Party 10 on Microbial Corrosion. 16. Guidelines on materials requirements for carbon and low alloy steels for H<sub>2</sub>S-containing environments in oil and gas production (3rd Edition) Prepared by Working Party 13 on Corrosion in Oil and Gas Production. 17. The support of the European Federation of Corrosion (EFC) in the development of this book on tribocorrosion is most appreciated by the authors. Parts of this book were elaborated during different joint research and development projects such as COST 533 Biotribology funded by the EU, the EUREKA Umbrella ENIWEF, the EU Network of Excellence on "Complex Metallic Alloys" (CMA) under contract no.
