YARDBIRDS, THE ULTIMATE RAVE-UP is a great companion piece to all the Yardbirds' recorded material. While nothing beats listening to those long-ago classic recordings, Russo's book gives the fans a wider knowledge of and appreciation for the group. I hope Russo does a sequel focusing in greater depth on the music similar to the BEATLES RECORDING SESSIONS book. Highly recommended. ***** 9,400 Helpful Votes! Yahoo!News The Yardbirds: Ultimate!
