

# Proceedings of the Royal Society of London, Volume 55 / 1894 / Royal Society (Great Britain) / Taylor & Francis, 1894

Proceedings of the Royal Society is the parent title of two scientific journals published by the Royal Society. Originally a single journal, it was split into two separate journals in 1905: Part A: which publishes research related to mathematical, physical, and engineering sciences (including computer science). Part B: which publishes research related to biology.
