Richard of Shrewsbury, Duke of York KG (17 August 1473–c. 1483), was the sixth child and second son of King Edward IV of England and Elizabeth Woodville, born in Shrewsbury. Richard and his older brother, who briefly reigned as King Edward V of England, mysteriously disappeared shortly after Richard III became king in 1483. Prince Richard was created Duke of York in May 1474 and made a Knight of the Garter the following year. From this time on, it became a tradition for the second son of the The Duke of York is King Richard's uncle and one of his most trusted advisors (sort of like Tom Hagen, the "consigliere" to the Godfather). But when Richard is tossed off the throne and replaced by King Henry IV, he switches sides and joins "Team Henry." He even rats out his own son, Aumerle, when he finds out that he is plotting against the new king. What gives? Is York the biggest traitor ever? There are a few different ways to read the Duke of York, so let's break them down. Option 1: He's a scumbag politician whose loyalties change depending on who's Richard of York, 3rd Duke of York (22 September 1411 – 30 December 1460), also named Richard Plantagenet, was a leading English magnate, a great-grandson of King Edward III through his father, and a great-great-great-grandson of the same king through his mother. He inherited vast estates and served in various offices of state in Ireland, France, and England, a country he ultimately governed as Lord Protector during the madness of King Henry VI.
