

# Andrew Johnson and Reconstruction. Oxford University Press, 1988. 1988. Eric L. McKittrick. 9780195057072. 533 pages

Previous books have judged Johnson out of the context of his times or through a partisan lens. But this volume-based on Bergeron's work as the editor of *The Papers of Andrew Johnson*-takes a more balanced approach to Johnson and his career. Admiring Johnson's unwavering devotion to the Union, Lincoln appointed him as military governor of Tennessee, a post, Bergeron argues, that enhanced Johnson's executive experience and his national stature. With its fresh insight on the man and his times, *Andrew Johnson's Civil War and Reconstruction* is indispensable reading for students and scholars of the U.S. presidency and the Civil War and Reconstruction periods. Read Overview. *Andrew Johnson and Congress were unable to agree on a plan for restoring the ravaged country following the Civil War. There was a marked difference between Congressional Reconstruction - outlined in the first, second, and third Military Reconstruction Acts - and Andrew Johnson's plan for Presidential Restoration (North Carolina's plan shown here). In the midst of it all was the human aspect. The Bureau of Refugees, Freedmen, and Abandoned Lands, often referred to as the Freedmen's Bureau, was established by the War Department on March 3rd, 1865.*
