Her first book of essays, Slouching Towards Bethlehem, concerns a cultural frontier, California in the sixties, and in the eighties she has moved to another kind of frontier, Central America, with Salvador. Her meditations on California continued in the decade after Slouching Towards Bethlehem was published and were collected in The White Album. Conversations with Joan Didion Parker Scott F. Eurospan 9781496815514 : Joan Didion (b. 1934) is an American icon. Her essays, particularly those in Slouching Towards Bethlehem and The White A. Her essays, particularly those in Slouching Towards Bethlehem and The White Album, have resonated in American culture to a degree unmatched over the past half century. Two generations of writers have taken her as the measure of what it means to write personal essays. No one writes about California, the sixties, media narratives, cultural mythology, or migraines without taking Didion into account.
