Take advantage of this â€" they have changed my life and will change yours, too. Tolle et lege! Please say a prayer for my sanctification. May God reward you for your charity. (Due to the length of the book list it has become necessary to split it in two. The second part can be found here.) Now That You Are a Catholic : An Informal Guide to Catholic Customs, Traditions, and Practices. by John J. Kenny. See Customer Reviews. Â The title of this book may be a little deceptive because much of what is covered by Father Kenny will be very familiar to the new Catholic. For example, a good bit of the RCIA process is discussed and since the new convert will have just passed through this process the explanation offered here would be somewhat repetitive. Â Occasionally Father Kenny fails to mention that some Catholic practices that are no longer required by the Church are still practiced by many of the faithful and assumes that all Catholics have conformed to the more lax standards which is not always the case.
