The Voyage of the Dawn Treader is the first ship Narnia has seen in centuries. King Caspian has built it for his voyage to find the seven lords, good men whom his evil uncle Miraz banished when he usurped the throne. Whoever wrote the screenplay should have been truer to the book, because it didn’t need embellishment. I came out of the movie theater scratching my head and wondering what I’d just seen because it wasn’t The Voyage of the Dawn Treader. There are so many enjoyable adventures in the book. From the smallest episode like the close shave with the sea monster to the retired star Coriakim’s island the book has plenty of adventure for younger readers, or those like myself who can still remember being young. He liked books if they were books of information and had pictures of grain elevators or of fat foreign children doing exercises in model schools. Eustace Clarence disliked his cousins the four Pevensies, Peter, Susan, Edmund and Lucy. But he was quite glad when he heard that Edmund and Lucy were coming to stay.Â Grown-ups thought her the pretty one of the family and she was no good at school work (though otherwise very old for her age) and Mother said she “would get far more out of a trip to America than the youngsters”. Edmund and Lucy tried not to grudge Susan her luck, but it was dreadful having to spend the summer holidays at their Aunt’s.
