EDUCATION AND MEDICAL TRAINING

Fellowship 1981-1982
Harvard Medical School, Boston, Massachusetts
Teaching and Research Fellowship

Residency 1978-1982
Baylor College of Medicine, Houston, TX
Residency in Orthopedic Surgery

Internship 1977-1978
Baylor College of Medicine, Houston, TX
Internship in General Surgery

Externships

University of Texas Southwestern Medical School, Dallas, TX 1976
Externship in Thoracic Surgery

Oschner Clinic, New Orleans, LA 1974
Clinical Externship

Doctor of Medicine 1973-1977
University of Missouri Medical School, Columbia, MO
Doctor of Medicine

Undergraduate Degree 1963-1973
University of Missouri, Columbia, MO
Bachelor of Arts in Chemistry

PROFESSIONAL WORK HISTORY

Clinical Associate Professor 2011-present
Texas A&M Medical School, Houston, TX
Department of Orthopedic Surgery

Orthopedic Surgeon 2004-present
Southwest Orthopedic Group, L.L.P., Houston, TX

Clinical Associate Professor 2008-2010
Baylor College of Medicine, Houston, TX
Department of Orthopedic Surgery

David R. Lionberger, MD
Curriculum Vitae, page 2

Orthopedic Surgeon 1996-2004
Hopestar Orthopedic Group, L.L.P., Houston, TX

Orthopedic Surgeon 1982-1996
Scurlock Orthopedic Associates, Houston, TX

NON-ACADEMIC POSITIONS

Planning and Development Committee Member 1992-present
Western Orthopedics

Charter Board Member 1991-present
Houston Children's Chorus, Houston, TX

Charter Member 1991-present
American Association of Hip and Knee Surgeons

Team Physician 1988-1989
Gamblers Professional Football Team Consultant, Houston, TX

INDUSTRY CONSULTING AGREEMENTS AND AFFILIATIONS Past and Present

Aesculap Implant Systems
Alpharma Pharmaceuticals
King Pharmaceuticals
NASA
Pfizer
Proctor and Gamble
Salient Technologies
Smith and Nephew
Biocomposites

LICENSURE AND CERTIFICATIONS

State, Active 2014
Board Certified, American Board of Your Specialty, 1976
American Board of Orthopaedic Surgeons, Recertification completed 2014 next due 2015

INVENTIONS AND PATENTS PENDING

Cutting Guide Apparatus and Surgical Method for use in Knee Arthroplasty; SN 10/465,515
Patent#: 7,104,997 September 12, 2006.

Simplified Surgical Preparation Jig for Total Knee Replacement: Femoral Blitz Block and Tibial Speed Block. Provides shorter operative time with improved precision.

Pelvic Stabilization Waypoint Clamp. Establishes alternate waypoint.

Dr. David R. Lionberger, MD. Is this you? Claim your profile. Dr. Lionberger graduated from the University of Missouri Columbia School of Medicine in 1977. He works in Houston, TX and specializes in Orthopedic Adult Reconstructive Surgery and Orthopedic Surgery. Dr. Lionberger is affiliated with Houston Methodist Hospital and Harris Health System Ben Taub Hospital. CONDITIONS TREATED. Internal Derangement of Knee. Dr. David Lionberger, MD is a Orthopedic Surgery Specialist in Houston, TX. Dr. Lionberger has more experience with Knee/Lower Limbs, Hip/Pelvic Bones, and Ankle/Foot than other specialists in his area. He is affiliated with medical facilities such as Houston Methodist Hospital and Memorial Hermann Southwest Hospital. He is accepting new patients and has indicated that he accepts telehealth appointments. Be sure to call ahead with Dr. Lionberger to book an appointment. Accepting new patients. Dr. David Lionberger, MD. Orthopedic Surgery. 172 Ratings. Semantic Scholar profile for David R. Lionberger, with 10 highly influential citations and 17 scientific research papers. David R. Lionberger. Computer Science. 2007 (First Publication: 1 December 2007). Introduction Navigation in orthopaedic surgery is becoming more accepted as a means of improving and documenting accuracy. Yet, despite the improvements made, the road towards recognition of the
